FOLLOW US ON FACEBOOK TO STAY UPDATED 

#1 Come into the store and get your tap key.

#2 Insert your tap key into the lock next to the tap and pour yourself a glass of house wine, draft beer or soda.

(The tap key is magnetic, so it stays in place by itself.)

#3 Use the glasses above the tap bar. There are glasses for both small and large drinks

#4 The price of the drinks you pour will be automatically added to your bill.

(Remember your tap key when you return to your table.)
